December Employee Spotlight

Judy Ann Prejeant was born in Napoleonville to L J and Lorraine Arcement but has lived in Labadieville all of her life. Judy has one brother and one sister. She is blessed that her parents live near her in Labadieville and are still independent and enjoying their retirement years. She has two children; Bridget & Ryan, & three grandchildren; Abigail, Andie, & Sammy. Being with family, children, & grand-children are her favorite things in life. When at home, Judy loves working in her yard because it is good exercise & frees the mind. She also likes to go out dancing with friends.

Judy was hired as the Personal Care Director 19 years ago in 1998. She completed her LPN course at Young Memorial Technical College before working at Assumption General Hospital in 1991. She also worked as an LPN in home health for 2 years prior to starting at the Manor.

What Judy values most about her job is that God has blessed her with good health to take care of the residents' health & well being along with the help of her wonderful staff. A couple of days before Judy mailed her resume to Ms. Ann, she stopped at the St. Jude Chapel in Donaldsonville. She prayed to find a good job, & 19 years later, she still has that good job.

Thank you for all you do Judy!
